WHY AM I HERE?

Last year 136,000 young people approached their council as homeless

In London that number was over 20,000 – enough to fill a double decker bus

The issue gets no attention, so we launched #StopTheBus
And then....

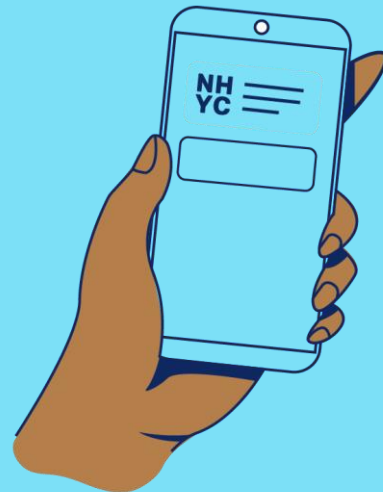

#PlanForThe129k / 136k

POLICY FORMATION

Calling for a strategy to end youth homelessness focussed on three things:

PREVENTION | FINANCIAL SUPPORT | HOUSING

#PlanForThe136k
